Why should you add your accounts?

Adding your account connections is one of the most important steps toward establishing a holistic view of your financial picture. In doing so you benefit from:

-  Account values that update automatically each night to give an accurate view of your current financial status.
-  Access to all of your accounts, organized neatly in one place.
-  24/7 monitoring of your financial well-being.

What types of accounts should you add?

-  **Cash** – Including any checking, savings, or other cash accounts.
-  **Investments** – Including brokerage, 401(k), 529, etc.
-  **Credit Cards** – Any major credit or charge accounts.
-  **Loans** – All types of loans, including mortgage, home equity, auto, school, personal, etc.
-  **Life Insurance** – Including whole life, term life, group policies, etc.
-  **Property** – Including homes, businesses, cars, jewelry, and any other personal belongings of value.
